

DRAGON AUDITION- FOREVER

Another day inside my keep
I get no rest, I get no sleep
'Cause when I start to count my sheep
You come around
I draw my shades and lock my doors
Still you come for what ain't yours
Like a hound dog on all fours
You sniff around and around and around
You're gonna stay
You're gonna stay
You're gonna stay
Forever
Forever

Another knight, another name (Backup: Another name)
But all in all you're all the same (You're all the same)
For the smoke you want flame
That you fly around
Desire calls you from her beach (ooooo, woo woo)
That pretty girl, that perfect peach (ooooo, woo woo)
She is always out of reach (ooooo, no)
But I am around and around and around

You're gonna stay (You're gonna stay)
You're gonna stay (You're gonna stay)
You're gonna stay
Forever (Forever)...
