

DOLLY DOOLITTLE - DAME

Male/Singing

Good Morning everyone.

My name is Dolly Doolittle and I'm head cook at bottle washer to Alderman Fitzwarren. He owns and runs the local general store, You'd think he was important the way he struts around lording it up!

Well Im really excited today because its a special day. Do you know what day it is? No? Well.....its audition day for the biggest and biggest and brightest Panto this side of Cheltenham.

Ive put on my best frock. Ive been to the local builders and got them to do the plastering on my face. Does it look smooth.....yes I know its as smooth as a baby's.....bottle!
