

KING RAT AND FAIRY SNOW

Male/Female

King Rat:

Come join the brotherhood and be a rat. It means going to bed late, leaving your room untidy, never saying please or thank you. It means being noisy and scruffy and cheeky and playing pop music loud.

Fairy:

No Children Don't do it!
or one day you'll rue it!
Don't listen to his wiles
Or be fooled by his smiles
He's evil - an out and out cad.
A Monster - thoroughly bad.

King Rat:

Absolute piffle!
Don't listen to that
sanctimonious old bat.
Her words are old hat
And worse - anti-rat.

Fairy:

I'd like you to know
My names fairy snow
For trust and honesty i stand
And all that's good for this land.
