

Dorothy's Audition Piece and Song

Dialogue

Dorothy – “I wonder if there is such a place? There must be. Not a place you can get to by a boat or a train. It's far, far away – behind the moon – behind the rain”

Song

Somewhere Over the Rainbow

When all the world is a hopeless jumble, and the raindrops tumble all around,
Heaven opens a magic lane.

When all the clouds darken up the skyway, there's a rainbow highway to be found,
Leading from your window pane, to a place behind the sun, just a step beyond the rain.

Somewhere over the rainbow, way up high.

There's a land that I heard of once in a lullaby

Somewhere over the rainbow, skies are blue,

And the dreams that you dare to dream really do come true.

Someday, I'll wish up on a star and wake up where the clouds are far behind me

Where troubles melt like lemon drops away above the chimney tops that's where you'll find me.

Somewhere over the rainbow, bluebirds fly, birds fly over the rainbow why then – Oh why can't I?

If happy little bluebirds fly, beyond the rainbow, why, oh why can't I?

Scarecrow's Audition piece & Song

Dialogue

"Pardon Me"

"That way is a very nice way". (points left)

"It's pleasant down that way too". (points right)

"Of course people do go both ways" (crossing the arms and pointing both ways)

"I can't make up my mind, I haven't got a brain, only straw, some people without brains do an awful lot of talking don't they?"

Song

If I Only Had a Brain

I could while away the hours conferrin with the flowers, consultin with the rain

And my head, I'd be scratchin, while my thoughts were busy hatchin, if I only had a brain

I'd unravel every riddle, for any individ'le, in trouble or in pain, with the thoughts I'd be thinking I could be another Lincoln, if I only had a brain.

Oh I could tell you why, the ocean's near the shore, I could think of thing I never thunk before

And then I'd sit, and think some more.

I would not be such a nothin, my head all full of stuffin, my heart all full of pain.

I'd dance and be merry, life would be a ding-a-derry, if I only had a brain.

Tinman's Audition piece and Song

Dialogue

"When I was flesh and blood like you, I fell in love with a munchkin maiden, who's mother hated me.

So to stop me from marrying her daughter, she hired the wicked witch of the west to put an evil spell on my Axe. When I tried to chop down a tree, it chopped off my leg instead. But by good fortune, I knew a wonderful tinsmith and he made me a new leg, almost as good as the old one. So back I went to work – and you know what happened? I swung my axe again, and dang me, if it didn't take off the other leg.

Song

If I Only had a Heart

When a man's an empty kettle, he should be on his mettle and yet I'm torn apart

Just because I'm presumin that I could be kind-a-human, if I only had a heart.

I'd be tender, I'd be gentle, and awful sentimental regarding love and art

I'd be friends with the sparrows and the boy that shoots the arrows if I only had a heart.

Picture me, a balcony above a voice sings low, where for art thou Romeo?

I hear a beat, how sweet.

Just a register emotion, jealousy, devotion, and really feel the part,

I could stay young and chipper and I'd lock it with a zipper, if I only had a heart

The Cowardly Lion's Audition piece and song

Dialogue

"Put em up! Put em up! Which one of you first?"

I'll fight ya both together if you want.

I'll fight ya with one paw tied behind my back

I'll fight ya standin on one foot!

I'll fight ya with my eyes closed!

Courage! What makes a king out of a slave?

Courage! What makes the flag on a mast to wave!

Courage! What makes the elephant charge his tusk in the misty mist or the dusky dusk?

What makes the muskrat guard his musk? Courage!

What makes the sphinx the seventh wonder? Courage!

What makes the dawn come up like thunder? Courage!

What makes the hottentot so hot? What puts the ape in apricot?

What have they got that I ain]t got? Courage!

You can say that again!

Song

If I were king of the forest

If I were king of the forest, not queen, not duke, not prince.

My regal robes of the forest, would be satin, not cotton, not chintz.

I'd command each thing, be it fish or fowl.

With a woof and a woof and a royal growl – woof.

As I'd click my heel all the trees would kneel, and the mountains bow, and the bulls kowtow.

And the sparrow would take wing, if I, if I, were king.

Glinda's Audition piece and song

Dialogue

I'm a little muddled.

The munchkins called me because a new witch has just dropped a house on the wicked witch of the east, and there's the house, and here you are, and those legs are all that's left of the wicked witch of the east

Song

Poppies (You're out of the woods)

You're out of the woods, You're out of the dark, You're out of the night,

Step into the sun, Step into the light, Keep straight ahead

For the most glorious place on the face of the earth or sky

Hold on to your breath, hold on to your heart, hold on to your hope

You're out of the woods, You're out of the dark, You're out of the night,

Step into the sun, Step into the light,

Wizard of Oz's Audition Piece

Dialogue

“Child, You’ve cut me to the quick! I’m an old Kansas man myself. Premier balloonist par excellence, to the miracle wonderland carnival company. Until one day, while performing spectacular feats of the stratospheric skill never before attempted by civilised man. The balloon failed to return to the fair.”

The Wicked Witch of the West's Audition Piece

Dialogue

“Very Well, I’ll bide my time and as for you, my fine lady, it’s true I can’t attend to you here and now as I’d like. But after a suitable period of mourning, I will have those slippers and my revenge too. So best try and stay out of my way. Just try! I’ll get you eventually, My Pretty. And your little dog too!
