

Fairy Guardians Song- I've got the magic in me

Singing:

I got the magic in me
Every time I touch that track it turns into gold
Everybody knows I've got the magic in me
When I hit the floor, the girls come snappin' at me
Now everybody wants a blast of

Magic, magic, magic
Magic, magic, magic
Magic, magic, magic
Ahoouoooo, I got the magic in me

Rapping:

This spell that we just cast will blow your mind
Pick a charm, any charm we've left the whole world far behind
We need a volunteer - oh wait they're all asleep
A hundred years of beauty rest the snoring's getting deep

So come one, come all, the fairies reunite
We're ready now to fix this mess and set the kingdom right
You know we're not like Carabosse, they twist the truth each time
Just call us magic guardians, we're sparkling in our prime!
