

## Carabosse Song- In the dark of the night

In the dark of the night I was tossing and turning  
And the nightmare I had was as bad as can be  
It scared me out of my wits  
A corpse falling to bits!  
Then I opened my eyes  
And the nightmare was, me

I was once the most mystical one in the kingdom  
When the royals betrayed me they made a mistake  
They think they all got away  
But one little girls gonna pay  
Little Aurora, beware  
Carabosse is awake

(Backing vocals) In the dark of the night terror will strike her!

Terror's the least I can do!

(Backing vocals) In the dark of the night evil will brew.

Soon she will feel that her nightmares are real.  
In the dark of the night  
She'll be through!

In the dark of the night  
Evil will find her  
In the dark of the night terror comes true.

My dear, here's a sign  
It's the end of the line  
In the dark of the night  
In the dark of the night

Come my minions  
Rise for your master  
Let your evil shine  
Find her now  
Yes, fly ever faster

In the dark of the night  
In the dark of the night  
In the dark of the night

She'll be mine! (EVIL LAUGH)
